

I am explaining:

Modus operandi of police, ACB, and EOW to protect the looters of public property, as well as those who have declared an economic war to destabilize the nation's economy and defeat the purpose of Article 39(b)(c) of the Constitution.

Remember, every citizen, under Article 51A of the Constitution, can file complaints against any public servants, including MPs, MLAs, councillors, IAS, IPS, and IRS officers.

These are public servants and take an oath under Article 99 (by MPs), Article 188 (by MLAs), and the Maharashtra Municipal Act, Section 33 (by councillors).

Other public servants are administered as per the Government Resolution dated 15.09.1952. If they have not taken the oath, they cannot join duty.

While arguing with the police, they have a badge on their sleeves which states:

"Police will destroy evil and protect the honest."

Before entering any office of a public authority, start an FB Live video recording and then enter, so they cannot stop you, as all their acts will be recorded and seen by the whole world.

Please educate me if my submission is incorrect. This is only in the larger public interest, with no intention to hurt anyone.

Ask them (public servants) directly whether their actions are according to the oath.
