

Around 6 roads have been dug up in the prime Fort area, all perpendicular and parallel, within 5 months, without taking due care of hygiene, safety, fire safety, health safety, and environmental impact.

How can Traffic Police give us NOC?

How can Traffic Police ignore such violations?

How can the Fire Brigade allow such unsafe, unhygienic, health and life-threatening activities?

We need to prosecute TRAFFIC POLICE AND FIRE BRIGADE.

Ambala Doshi Marg
Tamarind Lane
Mudhna Shetty Marg
Mumbai Samachar Marg
Homi Mody Street

All dug-up roads are in violation of Traffic NOC conditions.

Dust, air pollution.

No parking.

No space for walking.

No space for movement of emergency vehicles like fire brigade and ambulance.

Traffic Police, Fire Brigade, MLA, MP, and Councillors are silent and aiding and abetting illegal acts and cognizable offences to protect BMC senior officers.

Rahul Narwekar - राहुल नार्वेकर, Makarand Narwekar, and all Narwekar family, please guide whether you have objected or supported this.

You elected representatives are duty-bound to reply.
